The screenshot displays a web interface for managing payments. At the top, there is a navigation bar with dropdown menus for 'Property Tax', 'Water Charges', 'Profession Tax', 'Non Tax', and 'Trade License'. Below this is a section titled 'Payment Transaction History'. It includes a search area with fields for 'Email' and 'Mobile Number', separated by '(OR)', and a 'Get Status' button. The main part of the interface is a table with the following data:

S.No	Transaction ID	Transaction Date	Transaction Status	Transaction Amount	Action
1	[REDACTED]	11-01-2023 03:36 PM		₹ 144	Check Status
2	[REDACTED]	11-01-2023 11:51 AM	FAILED	₹ 144	

Below the table, there is a yellow button labeled 'Make Another Payment'. A red arrow points to the 'Check Status' button in the first row of the table.
